JEFFERY'S IMPROVED DOUBLE-ACTING

SUCTION AND FORCE PUMP,

WITH INDIA RUBBER BALL VALVES.

AWARDED

NEW YORK

THE FIRST

STATE FAIR

PREMIUM

HELD AT

AT THE

Elmira, 1855

The Proprietors in introducing this new Pump to the Public, feel a confidence that their efforts to bring it into general use, will be seconded by all, who see its construction and operation. The perfect adaptation of solid Balls of India Rubber for pump valves, will at once be apparent to every thinking mind.

Their imperviousness to water, and their yielding surfaces secure a certainty of operation, and a perfection of action, which cannot be attained by the use of any other valves. The simplicity of arrangement—the facility with which the parts can be removed, and replaced—the compact form, and unique appearance, render this one the most perfect and desirable Pump in use.

Among the many advantages secured by the use of this Pump, the following may be enumerated.

1.—A double action, by which twice the water can be raised at the same time.

2.—Great ease in working, thus adapting the *Force Principle* to common wells.

3.—The transformation, in a moment, of the Pump into an efficient FIRE ENGINE, thus rendering the loss of dwellings by fire, totally unnecessary.

4.—Capability of watering Gardens, Lawns, &c., or sprinkling Walks, or washing Windows, with the utmost ease and thoroughness.

5.—Power to raise water with slight labor, to any reasonable height, as in supplying chambers, &c.

6.—The convenience of having the Pump in a kitchen, or other rooms of your dwelling, without regard to the location of the Well, or Cistern.

7.—The easy protection of the instrument against FROST.

8.—The ease with which it may be mounted on wheels, or in other ways made PORTABLE.

9.—A *simplicity* which ensures great durability, protects it from being thrown out of order, and makes any repairs easy and of little cost: and secures,

10.—Great CHEAPNESS: for the first time bringing the cost of the Force Pump into the neighborhood of the common Suction and Chain Pumps, while it is immeasurably superior to both.

Manufactured and for sale by BROWN, JEFFERY & Co., Corning, New York.

All orders for Pumps or the right of Territory in the Counties embracing Long Island, and the waters thereof, should be addressed to GURDON MILLER, No. 9, Court St., Brooklyn.

And for West Chester, Putnam, Dutchess, Columbia, Rensselaer and Washington Counties in New York State to GURDON MILLER, No. 9 Court St, Brooklyn.

JAMES A. TREMERE & Co.'s PORTABLE FORGE

Has been got up with great care, both with reference to utility and appearance, and only requires to be seen to satisfy the purchaser of its superiority over all other kinds heretofore in use, for the same or like purposes. The graduating Twier Iron which we use together with the slide damper, by which the amount of air is perfectly graduated, and places the blast entirely under the control of the operator. This mode of governing the blast, will, with all scientific mechanics, have a governing influence in their purchasing, as the blast is all that a forge is for, and this is the only one that has any apparatus whereby the blast can be regulated at the option of the operator.

TO THE PUBLIC.

THE Compiler of this work thinks it proper to say a few words to its Patrons, relative to his efforts to furnish them with a regularly-published and complete Directory, as the circumstances of the case admits of doing.

It was his intention when he first attempted it, three years ago, to make a Directory that would so nearly satisfy the public wants, as to leave but little room for complaint, perfection not being thought attainable. It was generally conceded, that the first compilation was far in advance of all preceding and contemporary Directories of Brooklyn. The succeeding (last year's) compilation was unfortunately delayed in time of publication, through the loss of several thousands of the names that had been obtained, which were abstracted from the office by some dishonest person, who it was believed took that method to injure the reputation of the work; the loss of a part of the names made it necessary to recanvass, causing a serious loss of time and money.

Few persons know the difficulties encountered in making a Directory of a large city; and Brooklyn being a large city with but little business, makes the expenses much larger in proportion to the returns, than in other places, because it is the business of a place that furnishes advertising, also purchasers for a work of this kind.

The Compiler being dependent on the canvassers for the accuracy of the work, and from the persons that can be obtained to attend to an employment for so short a time, it is very difficult to select competent and reliable men. The public and publisher must suffer from their incompetency or dishonesty, for in the limited time occupied in getting up such works, errors are not discovered till too late for remedy.

By a complete and thorough canvass of the entire city, it has been the endeavor to make the Directory of names full and accurate; it has also a Street and Business Directory, a new map of the whole consolidated city, and other useful information.

It is hoped that the result of the effort will meet the approbation of the public.

DR. JOHN WESLEY KELLEY,

ANALYTICAL PHYSICIAN.

That superior success has hitherto attended the Analytical Practice, no one dare gainsay; for the living evidences of its merits are too numerous to be confronted. The "Analytical System of Medicine" opposes all Vegetable, Animal, and Mineral Poisons or deleterious practices, and relies on VEGETABLE NON-POISONS alone for the accomplishment of satisfactory results in the treatment of the following diseases, whether acute or chronic, viz.:

Diseases of the Lungs, Liver, Heart, Spleen, Kidneys, &c., together with their attendant symptoms, pain in the side, or between the shoulder-blades; Indigestion, Flatulence, or wind upon the Stomach, Costiveness, Piles, Yellowness of the Skin, Jaundice, Rheumatism, Despondency, Nervousness, Debility, &c.; Asthma, Phthisis, and all Constitutional Diseases, pain across the small of back, Numbness of the Limbs, Dropsy, Diabetes, &c. Fever and Ague, Congestion of the Spleen, Palpitation of the Heart, Faintness, Dimness of Vision, Epileptic Fits, Catalepsy, Ossification of the Heart or Arteries, &c.; Diseases of Men, Women and Children, and all Diseases arising from a vitiated state of the Blood and other Fluids. GREAT PIANO

AND

MUSIC EMPORIUM

OF

HENRY R. SANDFORD,

23 COURT STREET,

BROOKLYN.

MUSIC, PIANOS, MELODEONS, GUITARS, MUSICAL INSTRUMENTS, AND MUSICAL MERCHANDISE OF ALL KINDS.

THE BEST PIANOS.

Constantly on hand in large assortments, of every variety of style and finish, with or without the Æolian Attachment.

BOARDMAN GRAY & CO'S.

DOLCE CAMPANA ATTACHMENT,

For which I have the sole Agency for Brooklyn and New York, and which I can furnish at the same price as the Manufacturers.

ALSO THOSE OF

WOODWARD AND BROWN, JUDSON AND MUNGER, LATE ELY AND MUNGER, WM. MILLER, T. GILBERT AND CO.,

And others equally celebrated, including an instrument of my own manufacture, being an improvement on all the other Pianos, and which I can recommend and guarantee will give equal if not better satisfaction than the best, and yet they will be furnished at 25 per cent. less.

Largest assortment of Pianos to rent in the City of Brooklyn, and on the most accommodating terms.

GUITARS! GUITARS! GUITARS!

To those who are fond of these instruments we would invite especially to examine the tone, style and finish of those of our own manufacture: as they have been pronounced *second* to none. For there are none made which can produce such sweetness and power of tone. And I can show letters of recommendation from those who possess them which are alone sufficient to place them at the head of the list as unequalled either by Hall or Martin.

25 per Cent. less than any others.

MELODEONS! MELODEONS!

FROM THE FACTORIES OF

S. D. & H. W. SMITH,

AND OTHERS,

Of well merited celebrity, either for sale or to let, on terms perfectly satisfactory to all.

MUSIC! SHEET MUSIC!

BOTH

AMERICAN AND FOREIGN.

This department comprises publications of every variety, and is receiving constant additions by all the new Publications as fast as issued.

CALL AND EXAMINE FOR YOURSELF.

Teachers and the trade will be liberally treated, and will find it greatly to their interest in calling at the

MUSICAL EMPORIUM,

23 COURT STREET,

BEFORE MAKING THEIR ARRANGEMENTS ELSEWHERE.

Music furnished for Parties or evening Company.
Music bound in any style.

PIANOS CAREFULLY TUNED AND REPAIRED, RENTED, EXCHANGED, OR SOLD ON THE MOST REASONABLE TERMS.

REMEMBER 23 COURT STREET.

SANDS' SARSAPARILLA,

FOR THE REMOVAL AND PERMANENT CURE OF ALL

Diseases arising from an Impure State of the Blood, or Habit

OF THE SYSTEM.

The value of this Medicine is now widely known, and every day the field of its usefulness is extended. It is approved and highly recommended by Physicians, and admitted to be the most powerful and searching preparation from the root that has ever been employed in Medical practice.

PERUVIAN FEBRIFUGE,

FOR THE PREVENTION AND CURE OF

FEVER AND AGUE.

This preparation is *unequalled* as a cure for Fever and Ague. It is the result of practical experience and observation for a number of years in the treatment and cure of this disease; and such has been the uniform success in its use, that no case is known where it has failed to cure when regularly administered.

ROMAN EYE BALSAM,

For Weak and Inflamed Eyes.

This Balsam was used for many years in the private practice of a celebrated Oculist with the greatest success, and may be confidently relied upon as the most safe and speedy cure for Weak or Inflamed Eyes that has ever been offered to the world. In cases where the

EYELIDS ARE INFLAMED,

or the ball of the eye thickly covered with blood, it acts almost like magic, and removes all appearances of disease after two or three applications. Those whose eyes have been injured by close too application to study, or by fixed attention to minute objects, will obtain immediate relief by the use of this Balsam.

DR. McMUNN'S

ELIXIR OF OPIUM.

THIS IS THE PURE AND ESSENTIAL EXTRACT FROM THE NATIVE DRUG.

It contains all the valuable medicinal properties of Opium in natural combination, to the exclusion of all its noxious, deleterious, and useless principles. It possesses all the sedative, anodyne and anti-spasmodic powers of Opium. To produce sleep and composure. To allay convulsions and spasmodic action. To relieve pain and irritation, nervous excitement and morbid irritability of body and mind, &c. Its operation is attended by no sickness of the stomach, no vomiting, no costiveness, no headache, nor any derangement of the constitution or general health. Hence its high superiority over every other preparation of Opium.

CLOVE ANODYNE TOOTH-ACHE DROPS.

Complain no more of Aching Teeth.

The excruciating torments of Tooth-ache can be speedily relieved by this remedy, without injury to the gums or teeth, it acting solely upon the nerve. Eminent Dentists have a high opinion of it, and constantly recommend it to their patients.

HEYMAN'S DYSPEPSIA ELIXIR,

A SPEEDY AND CERTAIN CURE FOR

DYSPEPSIA, INDIGESTION, &c.

For all the varied forms of this prevalent and distressing complaint, this Elixir will be found a most efficacious remedy. The process of cure is simple and natural, as it operates directly on the stomach, and, acting as a tonic, it restores the digestive organs to their natural tone and vigor, causing costiveness to give way to a regular habit, and healthy secretions to evolve from the liver, kidneys, and bowels; the appetite is improved, and, in a short time, a complete and permanent cure is effected.

Sands' Remedy for Salt Rheum,

Many diseases of the skin, existing under different forms, and presenting various appearances, are usually known under the common name of Salt Rheum: but all of them are generally produced by the same or similar causes, and can be removed by the same course of treatment. It is not material to the patient what the name of his disease is, provided he can meet with a remedy and permanent cure: this can always be done by a judicious use of the Remedy. Over fifteen thousand cases of this disease have been cured by this wonderful medicine, which alone is a sufficient guarantee of its great medicinal virtues.

The above CELEBRATED REMEDIES are prepared and sold Wholesale and Retail by A. B. & D. SANDS, Druggists and Chemists, 100 Fulton st., corner of William, New York. And Sold also by Druggists generally.

LYON'S
MAGNETIC POWDER.

FACSIMILES OF THE
FOUR NATIONAL MEDALS
AWARDED TO
EMANUEL LYON

FOUR NATIONAL MEDALS.

For the Destruction of Insects, Without Poison,

Has been for many years a Standard Article throughout the United States, as well known and as regularly in demand by housekeepers as any article of the first necessity, and for domestic purposes.

It has been submitted during this time for analysis and chemical test to the First Scientific Men in Europe and America; to the Medical College of New York; to distinguished chemists in Paris, England, and Germany; at the World's Fair in London, held in 1851; at the International Exhibition in the Crystal Palace, New York, opened in 1853; at the Great Exhibition, held in 1857. During the time the Inventor and Proprietor, Emanuel Lyon, has been honored with

And the powder has received the Autograph Endorsement of the President of the United States, Prince Albert, and thousands of leading citizens in every department of business throughout the Union. This Powder has been declared by eminent chemists of all countries

Purely Vegetable,

and entirely harmless; while thousands of letters testify that it immediately and infallibly destroys

Bedbugs, Cockroaches, Moths, Fleas, Ants, Flies, Mosquitoes, Plant Insects, Vermin on Fowls and Animals,

and every other species of insects with which the dwelling house is cursed. In consequence of the article being extensively counterfeited, it is necessary to CAUTION [illegible] not to purchase any package purporting to contain LYON'S MAGNETIC POWDER, which are not verified by a fac simile of his signature upon the label. A new lithographic label, similar to the heading of this advertisement, is on every flask and box.

LYON'S MAGNETIC PILLS, for the destruction of Fleas and Flies, will exterminate these vermin, however numerous they may be, within twenty-four hours, in any private dwelling, store, warehouse, outhouse, barn, etc., where they are placed.

Principal wholesale and retail depot for Lyon's Magnetic Powder and Pills, 424 Broadway. Sold by Miss Hayes, 115 Fulton Street, Brooklyn, and all respectable druggists in the United States. Retail price, 25 cents per flask or box, with a proportionate reduction to wholesale buyers.

EMANUEL LYON.

PORTABLE
GAS WORKS,
OF THE AUBIN PORTABLE GAS WORKS CO.,
FOR
Factories, Dwellings, Hotels, Villages,
&c., &c.,

A is the Generator; B the Hydraulic Valve; E the Cooler, and C the Gasometer when inflated.

This admirable Apparatus is equally adapted to small houses, or blocks of stores, or villages, and possesses unrivalled advantages, viz.: SIMPLICITY OF CONSTRUCTION. With a working plan, any worker can set it up.

SIMPLICITY OF OPERATION. From the peculiar construction of the Generator, it is never necessary to make or break joints for cleaning or operating it; nor does it require mechanical skill or constant attendance. It therefore can be managed by a house servant, and is free from offensive odors.

UNEQUALLED ECONOMY. The Gas can be generated from any substance containing it, solid or liquid, animal or vegetable, and costs for material no more than Coal Gas would at 50 Cents per thousand feet.

The Gas Holder not requiring a Water Tank, is not exposed to frost, and from its lightness can be placed where room is the least valuable and most convenient.

It works with certainty, does not Clog the Pipes, and cannot explode.

For further information, or the purchase of Apparatuses, or County or State rights, apply to the

OFFICE OF THE COMPANY,
NO. 358 BROADWAY, NEW YORK.

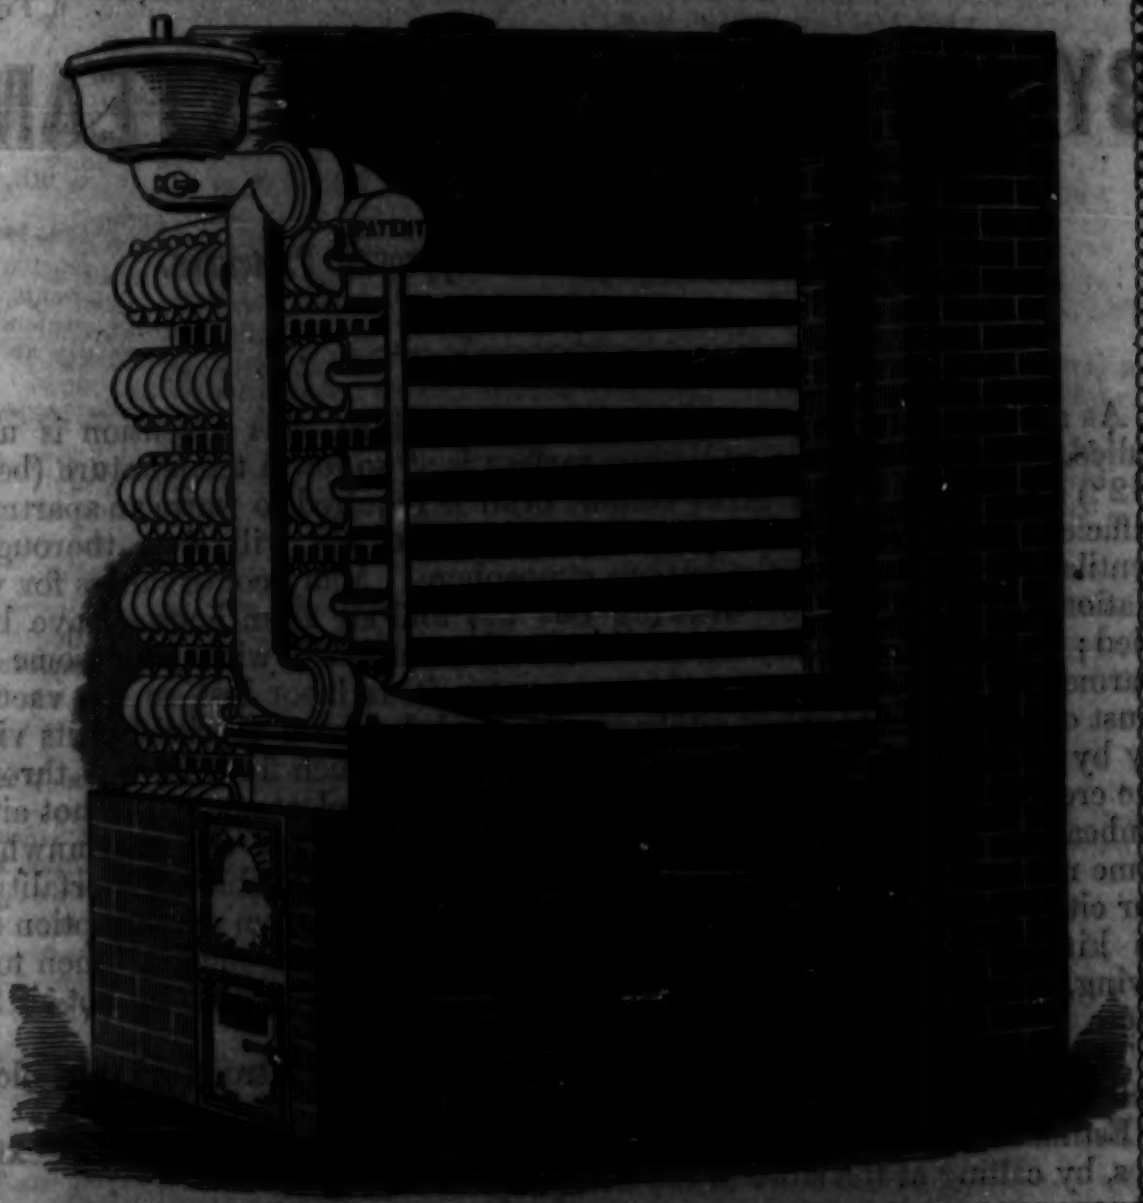
HOT WATER APPARATUS,



FOR

WARMING AND VENTILATING

Dwellings, Stores and Public Buildings,

GREENHOUSES, &c.

BROWN'S WATER FURNACE COMPANY,

22 SPRUCE ST., (late Brown & Ellis.)

APPARATUS

For Warming Dwellings, Stores, Public Buildings, Conservatories, &c.,

BY HOT WATER OR STEAM,

Constructed upon the Most Approved Principles.

As an aid to the proper ventilation of dwellings, this invention is unrivalled. The fact that the radiating surface is at so low a temperature (below 212°) shows that a very great volume of air is required to warm an apartment sufficiently, which if provided with a means of egress will most thoroughly ventilate by forcing out the impure atmosphere. Many contrivances for ventilation by exhausting or drawing out the foul air from houses have been tried; but unless the vacuum thus formed is supplied with wholesome air, warmed through the agency of warm water, it is labor lost, as the vacuum must otherwise be supplied either by air which has been deprived of its vitality by passing over red-hot iron, or by cold air which finds its way through the crevices of doors and windows, which is as unpleasant as the hot air is unhealthy. Hot-air furnaces are very properly considered the most unwholesome media for the generation of artificial heat. The tables of mortality in our cities prove that a large per centage of deaths are from consumption and its kindred complaints. This is ascribed by eminent medical men to be owing, in a great degree, to the prevalent mode of warming by hot-air furnaces.

The apparatus occupies but little space, and may be introduced into old as well as new or unfinished houses.

Estimates and Plans furnished, and reference made to numerous examples, by calling at the store of the Company.

GUIDE

TO THE

STREETS, AVENUES, LANES, COURTS, PLACES, &c.,

MENTIONED IN

SMITH'S BROOKLYN DIRECTORY,

(WESTERN DISTRICT),

FOR 1856-7.

NOTE.—The numbering of the streets &c., of the city is very incomplete and irregular, the same number, in several instances, occurring in two or more places in the same street or avenue. As a rule, the numbers run eastward and southward from the opening of the street or avenue. The streets, avenues, &c., that are given in the Guide, are arranged in alphabetical order, and any particular one can be found by observing that order when looking. The number of the building at one corner of each crossing, or abutting street, or avenue, is given when there is any; when there is none at the corner, the one nearest it is given. In most cases the crossing or abutting streets, &c. named, are those opened at the street or avenue under the head of which they are given.

ABBREVIATIONS AND SIGNS.—Al. or al. for alley; Av. or av. avenue; bet. between; Ct. or ct. court; E. east; E. Dist. Eastern District; Pl. or pl. place; rd. road; S. south; St. street; W. west; * denotes that the number is not at the corner but near it; [or] denotes that the street or whatever, does not cross, but begins or ends (on the right or left) at the street or avenue, under head of which it is named.

GUIDE

TO THE

STREETS, AVENUES, LANES, COURTS, PLACES, &c.,

MENTIONED IN

SMITH'S BROOKLYN DIRECTORY,

(EASTERN DISTRICT),

FOR 1856-7.

NOTE.—The numbering of the streets, &c., of the city is very incomplete and irregular, the same number, in several instances, occurring in two or more places in the same street or avenue. As a rule, the numbers run eastward and northward from the opening of the street or avenue; the exception being as to the streets and avenues south of Broadway, which number southwest and southeast. The streets, avenues, &c., that are given in the Guide, are arranged in alphabetical order, and any particular one can be found by observing that order when looking. The number of the building at one corner of each crossing, or abutting street, or avenue, is given when there is any, when there is none at the corner, the one nearest it is given. In most cases the crossing or abutting streets, &c. named, are those opened at the street or avenue under the head of which they are given.

ABBREVIATIONS AND SIGNS.—Al. or al. for alley; Av. or av. avenue; bet. between; Ct. or ct. court; E. east; E. Dist. Eastern District; G. P. Greenpoint; Pl. or pl. place; rd. road; S. south; St. street; W. west; * denotes that the number is not at the corner but near it; [or] denotes that the street or whatever, does not cross, but begins or ends (on the right or left) at the street or avenue, under the head of which it is named.

Dr. J. S. Munson's Pain-Curer & Rheumatic Liniment.

It is astonishing to see how soon it will relieve all pain. Everything of a tar, gum, or oily nature is distilled out of it, so that it penetrates directly into the part affected, and relieves RHEUMATISM, NEURALGIA, and all pain, when applied to the surface, on the same principle that a dose of laudanum relieves when taken into the stomach. Price, 25 cents.

DR. J. S. MUNSON'S DIARRHŒA MIXTURE.

This is the most sovereign remedy ever introduced for the prompt cure of Diarrhœa, Summer Complaints, Dysentery, Cholera, Cholera Morbus, Hemorrhage from the Lungs, Stomach, or any other part; profuse or too frequent menstruation, and cutting teeth. This is a self-corrector, as it never leaves one costive. Price, 25 cents.

Dr. J. S. Munson's Tooth-ache Drops.

A remedy that never injures the Teeth or Gums. The anodyne principle is so concentrated that when it comes in contact with the nerve of the tooth it is sure to give instant relief. Price, 12½ cents.
